American Tobacco Co.

Sales Last Year at New Peak, but Balance for Common

amounted to \$4,762,110, a falling off of Otis Elevator Company

stocks and bonds of \$31,475,485, bills and accounts receivable of \$11,419,581 part of next week. and bills payable from \$8,409,000 at the end of 1918 to \$24,300,000 at the start of the current year is due to the increased amount of leaf tobacco carried at the moment. This, according to the report to stockholders, will be liquidated before July, which means that no further finencing will be representative for Nussean Street. ventory. This difference in the amount of tobacco carried brought the inventory account up to \$90,600,000, against \$74.620,000 at the end of 1918.

Thomas W. Harris and Talmadge T. Harkrader were elected directors for the coming year. Other retiring directors were reelected.

Certain-Teed Products Earned en \$7.17 a Share on Common

to the annual report, after charging of expenses, repairs, maintenance, federal taxes and depreciation. After the deduction of \$28,120 for other expenses, surplus was \$474,289.

Lorillard Stock Offering Declines

Earnings of the American Tobacco
Company last year broke all records in the history of the corporation. The annual report issued to stockholders yesterday showed total sales of \$146,023,730, compared with \$144,470,068 in

There is outstanding at present \$24.

yesterday showed total saies of \$140.

023,730, compared with \$144,470,068 in
1918 and \$49,920,249 in 1917.

The balance available for dividends on the outstanding \$40,242,400 common stock was equivalent to \$31.82 a share, stock was equivalent to \$31.82 a share, shares may be combined in multiples of full shares.

Increases Common Dividend

amounted to \$49,346,443.

The balance sheet for the year showed inventories of \$90,611,434, stocks and bonds of \$31,475,485, bills and accounts receivable of \$11,415,521.
